

# Special Events & Venue Recycling Workshop

Wednesday, May 2, 2007  
8 am to 2:30 pm

**The Pointe at the Pyramid  
California State University, Long Beach  
1250 Bellflower Boulevard  
Long Beach, CA 90840**

California Collegiate Recycling Council  
c/o CSULB Facilities Management  
Integrated Waste Management  
1331 Palo Verde Avenue MS 5701  
Long Beach, CA 90840

**R**ecycling is now required at certain large venues and special events throughout California, under AB 2176, passed in 2004.

Attend this half day workshop at CSULB to learn how your agency/venue needs to comply with AB 2176, learn about funding sources for recycling collections, and hear from venue operators how their recycling efforts are paying off.

Speakers Include:

**Debra Kustic**  
California Integrated Waste Management Board  
AB 2176 Overview & Requirements

**Mary Kay Shafer**  
Department of Conservation  
Funding Opportunities for Special Event Recycling

**Ursula Schmidt**  
City of Pasadena  
One City's Plan for Complying with AB 2176

**Nancy Strauss**  
Del Mar Race Track  
Working Towards Zero Waste

**Jon Root**  
California State University, Long Beach  
Recycling at Special Olympics, Commencement,  
& Other Campus Events

**Leslie Lukacs**  
SCS Engineers  
Rose Bowl Football - Recycling for 95,000+ Fans

**T**his workshop is sponsored by the California Collegiate Recycling Council (CCRC) and the Venues & Special Events Recycling Council (VSERC). Both councils are non-profit technical divisions of the California Resource Recovery Association (CRRA).

**Registration Information:**

- CRRA members: \$40
  - Non-CRRA members: \$50
  - Register and pay online through Paypal at [www.crra.com](http://www.crra.com)
- Special \$79 night rate at the Guesthouse International Hotel Long Beach
