

# SB1383 Edible Food Recovery Education & Outreach

**Zero Food Waste Forum Webinar  
Friday, October 20<sup>th</sup> • 1 to 2 pm**

**Join us for a discussion of SB1383 Edible Food Recovery Education & Outreach**

**Robin Martin**, chair of CRRA Edible Food Recovery Technical Committee Best Practices Subcommittee will share best practices resources they've been compiling.

**Cassie Bartholomew**, Program Manager | StopWaste will share StopWaste's approach and coordination with Alameda County Department of Health inspectors.

**Ashley Louisiana**, RecycleSmart will share RecycleSmart outreach including SB 1383 information in updated customer guides, route review tags, newsletter, technical assistance to commercial edible food generators, food recovery inspections and outreach through Contra Costa Health Services, Republic Services Recycling Coordinators to commercial and multifamily accounts, a new sorting tool, community groups presentation, and a recently updated community event outreach booth with a focus on organics as well as new truck signs.
