Approved without exception.

**Old Business**

**New Business**

COVID-19 Impacts – lengthy discussion by all attendees regarding the unique impacts pandemic response was having on the implementation of solid waste, recycling and composting programs. In summary, commercial waste generation down significantly, residential waste generation up marginally, MRF sortline operations shuttered or slowed randomly across state, compost sales for victory gardens at all-time high, recycling markets still abundant.

Tracie reports CRRRA Conference still on track, with potential cancellation or online option being considered.

**Committee Reports**

- **Education, Training and Workshops (H. Gans, J. Macy, M. Cotton)**
- **Policy and Legislative Issues (N. Lapis, N. Edgar, M. Cotton)**
  - SB 1383 Regulations – CalRecycle is circulating draft regulations for 30 days in response to OAL comments. Procurement options still need to be fleshed out; carbon farming projects and other options yet to be fully explained by CalRecycle staff.
  - Rule 13-2 Update – Rulemaking suspended pending additional study work by District on emissions impacts for various operations and proposed control measures.
  - Legislative Activity – uncertain on how many bills will move forward; focus expected to be on economic recovery from COVID response.
  - Compost General Order – Agricultural composting provided large exclusion from Water Board oversight, whether on-farm or at other sites.
- **Communications (M. Lindemuth)**
- **New Member Outreach (K. Scheibly)**

**CORC Board Monthly Call**  
**4/10/2020 – 10:00 a.m.**

- Kim reports that CORC outreach (questionnaire/survey) will be distributed to full CORC email list from CRRA – asking for review/comments to finalize and create Survey Monkey poll.

**Next meeting: May 8, 2020, 10:00am - 11:00 am**
